Who is Annie?

BABY MONITOR IN YOUR POCKET

The most reliable one

We have been a leader among baby monitors since 2014. Our babysitter app helps parents around the world. It's easy and everyone can do it, whether you use iOS or Android. With Annie Baby Monitor you will never happen to you that you will be unavailable!

Features

- Simple to set up
- Unlimited reach
- Audio / Video monitoring
- Motion detection
- Smart notification
- Multi-child & Multi-parent
- Free trial

Our mission

We are also parents and therefore the safety of our youngest is the highest priority for us. Know that our baby is OK and if he is not, then be notified. It is the key to be a great parent. Having a reliable babysitter always with you is a must for every conscientious parent.

"We grow safely and your children with us."
